

Find a Provider

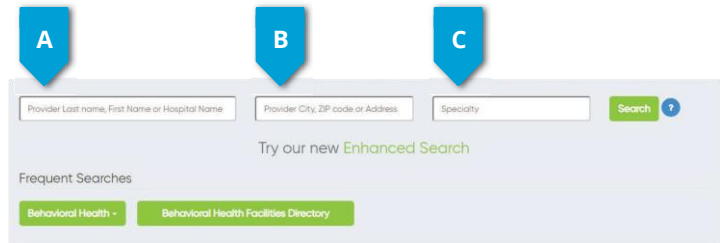

1 Sign In

Go to fchn.com and click the green **Find Care** button at the top left.

2 Find Care

Begin your search by **(A)** entering a Last Name, First Name or Hospital in the first field (optional), **(B)** entering a City, Zip Code or Address in the second field (required), or **(C)** enter a Specialty in the third field (optional). Click the **search** button

3 Select Network

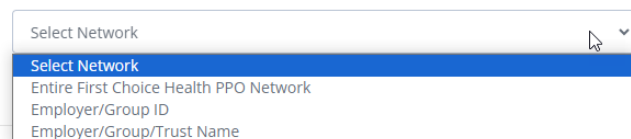

Select the option that pertains to your Benefit Plan. Click the **continue** button to view search results.

Please Note: If you choose to search by the Entire First Choice Health PPO Network/ you may receive providers that are not participating for your Plan.

Welcome to the First Choice Health Provider Search

Welcome to the First Choice Health Provider Search. Select a search option within the First Choice Health Network.

1. Entire First Choice Health PPO Network option allows you to search the entire network.
2. Employer/Group ID option allows you to enter your group number and select a network to search healthcare providers that have contracted with your health plan.
3. Employer/Group/Trust Name option allows you to type in the name of your company and select a network to search healthcare providers that have contracted with your health plan.

Continued on next page

4 Finish Your Search

You will receive a list of search results along with a map that displays the first ten (10) providers. You can further refine your results using the filters on the left-hand side.

Please Note: If you perform a search by a specific clinic/ you must select the clinic to view the preferred providers at that clinic.

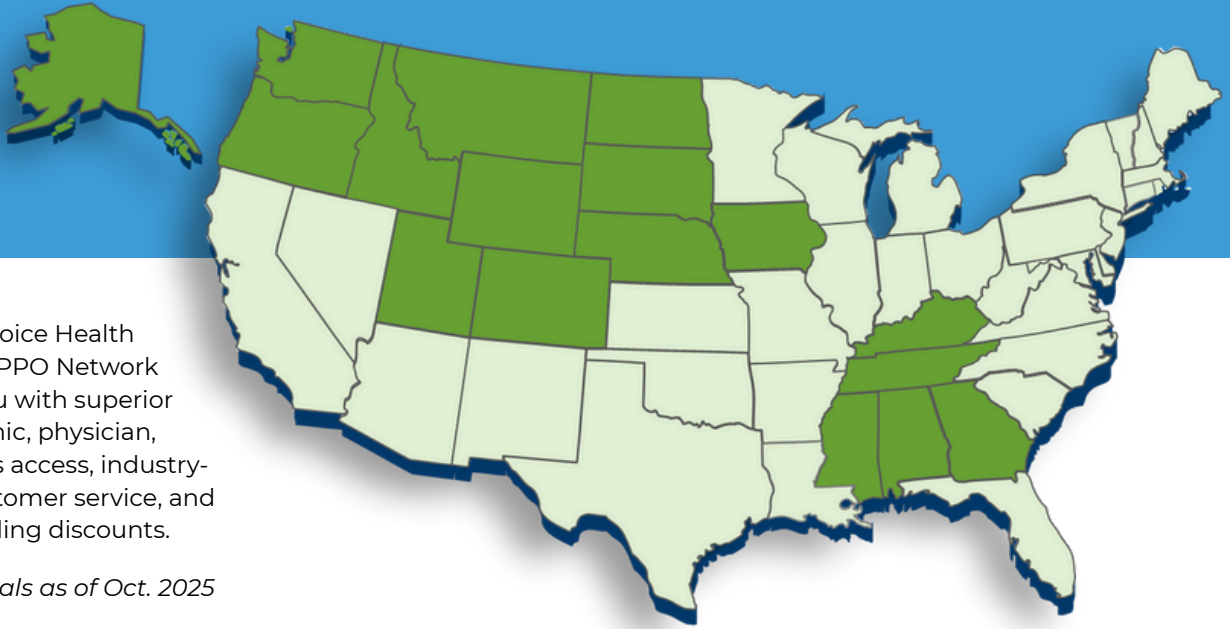

? Have Questions?

If you need assistance locating a provider or scheduling an appointment, please contact a Customer Care Representative at **the phone number located on your ID Card** Monday through Friday, 8am to 5pm PST.

Preferred Provider Network

Gain access to a comprehensive, cost-competitive network you can trust.
