

**MEMORANDUM OF UNDERSTANDING  
BETWEEN THE CITY OF YAKIMA AND  
YAKIMA POLICE PATROLMANS ASSOCIATION**

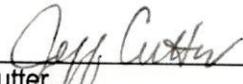

This MEMORANDUM OF UNDERSTANDING (MOU) is made and entered into by and between the Yakima Police Patrolman's Association (YPPA), hereinafter known as the "Association" and the City of Yakima a Washington Municipal Corporation, herein known as the "City".

The Association and the City mutually agree that the Assigned Police Vehicle (APV) program implemented as a part of the 2014-2015 collective bargaining process has proven to be successful. It has demonstrated the expected results stated at the implementation of the program, to include enhanced police presence in the community, crime deterrence, improved police response times, improved community relations, supplementation of the on-duty police force, reduced vehicle unit cost and maintenance expenses, enhanced police productivity, and greater police morale.

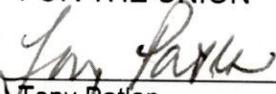

The implementation of the APV program was financed through the Washington State Local Option Capital Asset Lending (LOCAL) program with a term of 6 years, expiring in 2019; however the terms of the 2014-2015 Collective Bargaining Agreement are set to expire on December 31, 2015. The City wishes to continue the APV program through the expected life of the vehicles and financing term.

The City and the Association agree to extend the current APV agreement through December 31, 2019.
