Modification

Application Packet

About this Application:

Minor changes to existing or approved Class (1), (2) or (3) uses or development may qualify for abbreviated review via this application process. Minor changes may include projects that do not increase residential density, significantly increase parking, add height to a structure, or create a drive-thru facility -- a full list of the criteria can be found in [YMC 15.17.020](#). Proposals not meeting those criteria must apply directly for review as a Class (1), (2), or (3) use or development.
