Subject: Bid C11513 – Motor Patrol Graders – ER&R
Addendum No. 1

Please see the following clarifications to questions asked regarding Bid specifications:

CLARIFICATIONS:

1. 14' width on the front plow?
14 foot plow on front
2. Did you want the front plow & lift installed on one of the machines?
We want the front plow and lift installed on one of the machines and the lift installed on the second machine, third machine would be counterweight.

Unit will not be included with trade-in.
3. Do you want me to quote the Henke front plow also?
Yes, if you feel it's a plow your company can stand behind.
4. Why do they specify the 8.2% tax on the front plow and not the graders?
8.2% sales tax is for delivery within Yakima city limits. If delivery is made within Yakima county the tax is 7.9%. Schedule I & II should be included in the subtotal.

Please use the updated attached bid form.

Please acknowledge receipt of this addendum on the invitation to bid, page two (2), of the Bid document. Thank you.

If you have any questions please do not hesitate to contact me at (509) 576-6696.
