**12238P Addendum No. 1  
Community Partnership Development Services**

July 20, 2022

**Answers to Questions Received**

1. The potential use of funds seems very broad which appears to be by design. Is there an ARPA-related document that you can provide to further define the intended use of these funds?

**Answer:** Yes, please see Attachment A – Department of the Treasury SLFRF FAQ’s, [Section 2](#)

2. Along a similar line, can you provide guidance on the types of proposals that the City would consider as eligible? And those that would be considered ineligible?

**Answer:** As long as the proposed project meets the eligibility requirements, we will consider it.

**Please acknowledge receipt of this addendum in the Cover Letter of your Proposal.** If you have any questions please call me at (509) 575-6094.

Sincerely,

Maria Mayhue, CPPO
