L. ~~Performance Bond~~

~~As security for performance under the terms of this Contract, the Contractor will be required to furnish, as of the Contract Execution Date a duly executed Performance Bond upon the form provided, signed by approved surety or sureties in the amount of (insert the contract amount), conditioned upon the faithful performance of the contract by the Contractor. The Bond shall be in effect for the entire contract period, beginning with the Contract Execution Date. On the anniversary date of the contract or any extension thereafter, at the request of the Contractor, and approved by the Owner, an Irrevocable Letter of Credit in the amount of the contract may be assigned to the Owner for the term of the contract in lieu of a Performance Bond.~~

~~At any time and as often as may be deemed necessary, the Owner may require any or all sureties or any surety company to appear and qualify them upon the bond, or show continued assignment of the prescribed savings account. Whenever such surety or sureties are deemed by the Owner to have become insufficient, the Owner may demand in writing that the Contractor furnish additional surety in an amount not exceeding that originally required as may be deemed necessary considering the work remaining to be done. No further transportation or recycling/disposal of waste shall be allowed until such additional surety as required is furnished.~~

~~Upon the extension of this contract, a new contract bond will be required.~~
