K. Contract Term:

The period of this contract shall be for a period of one year from its effective date. The County may, at its option, extend the contract on a year to year basis for up to four additional years provided, however, that either party may at any time during the life of this contract, or any extension thereof, terminate this contract by giving thirty (30) days notice in writing to the other party of its intention to cancel. Contract extensions shall be automatic, and shall go into effect without written confirmation, unless the County provides advance notice of the intention to not renew.

Requests for Rate Increases must be delivered to the Buyer listed on Page 2, in accordance with the rules below. No other employee may accept a rate increase request on behalf of the County. Any invoice that is sent to the County with pricing above that specified by the County in writing within this Contract or specified within an official written change issued by Purchasing to this contract, shall be invalid. Payment of an erroneous invoice does not constitute acceptance of the erroneous pricing, and the County would seek reimbursement of the overpayment or would withhold such overpayment from future invoices.

1. **Discount from Manufacturer List Pricing:** For all contract items that are priced as a discount below Manufacturer List prices, there shall be no changes to the discount rate throughout the life of the contract. As manufacturer list prices change, the net price to the County will automatically change in the same percentage as the discount rate to the County.

2. If requested by the Contractor in writing on the anniversary date of each year of the contract, the Owner will consider increasing the Contractor's rates per the Seattle-Tacoma-Bremerton Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the previous twelve months. No discount adjustments will be allowed.

W. Clarifications and/or Revisions to Specification and Requirements:
If a Bidder discovers any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in this solicitation, the Bidder has a duty to immediately notify the Buyer of such concern and request modification or clarification of the BID document.

Delivery or performance will be unduly delayed by failure to make award promptly;
A prompt award will otherwise be advantageous to the Owner.

If the award is made, regardless of a protest, the award must be documented in the file, explaining the basis for the award. Written notice of the decision to proceed shall be sent to the protester and others who may be concerned.

The Owner retains the right to enter into any contract and nothing herein shall be construed to limit that authority in any manner.
