

City of Yakima/Yakima County Purchasing

November 30, 2015

ATTENTION: All Proposers
SUBJECT: RFP No. C11511-P Electronic Monitoring Equipment and Services
Addendum No. 1

Answers to Questions Received:

1. *Question: Who is the current vendor for the monitoring equipment?*

Answer: We do not currently have a vendor for the monitoring equipment. This is a brand new department. The Department of Corrections uses a different type of monitoring equipment that does not meet the requirements of these specifications.

2. *Question: Is transdermal required, or is the department open to using another type like a fuel cell?*

Answer: The department is open to reviewing other types of monitoring equipment along with the transdermal units. They must be cellular or a hand-held device.

3. *Question: What is the required number of units?*

Answer: The number of units is TBD and will be determined entirely by how many people the Judge places on Electronic Home Monitoring or alcohol monitoring.

4. *Question: Who will be paying for these services?*

Answer: Yakima County
