“QUALITY SERVICE, RESPONSIBLE PUBLIC PROCUREMENT”

I. CITY/COUNTY PURCHASING DIVISION CODE OF ETHICS

The public must have confidence in the integrity of its government. The purpose of this Code of Ethics is to apply and give guidance to all Purchasing Division employees so that they may conduct themselves in a manner which will be compatible with the best interest of themselves and of the City of Yakima and Yakima County.

Proper operation of the City/County Purchasing Division requires that:

- Actions of Purchasing Division employees be impartial and fair.
- Government decisions and policies be made in the proper channels of government structure.
- Public employment not be used for personal gain.
- Purchasing Division employees may neither solicit, accept, nor agree to accept any gratuity for themselves, their families or others that results in their personal gain which may affect their impartiality in making decisions on the job. Discounts or concessions realistically available to the general population, items received that do not result in personal gain, and samples to the City/County used for general City/County use are examples of items that are not gratuities. Personal judgment should be used and questions regarding particular problems/events should be referred to the employee's manager.

Goals:

- To protect and enhance the reputation of the City of Yakima, Yakima County and its employees.
- To treat all citizens equally with courtesy and impartiality, and refrain from granting any special advantage to any citizen beyond what is available to all citizens.
- To give efficient, productive, and economic service to the public.
- To avoid real or potential conflicts between private and public duties, remembering that the public interest must be the principal concern.
- To keep confidential all information acquired by reason of one's position, which may be used for personal or financial gain for the employee or other persons.
- To refrain from securing special privileges or exemptions for one's self or other persons that are not available to all citizens.

- To avoid receiving, soliciting or otherwise obtaining anything of value that is greater than nominal intrinsic value from any other public official, employee or citizen which is intended to influence the performance of official duties.
- To disclose to the appropriate authority the nature and extent of any financial or personal interest in a City/County contract, legislation, or in any type of transaction involving the City/County, when participating in the development of or giving an official opinion on the matter.

Purchasing Division Employees shall:

Certify, in writing, that they have read and understand this policy. Non-compliance may result in disciplinary action, per the Civil Service rules at the discretion of City Management.

II. REQUISITION APPROVAL LIMITS AND SIGNATURE AUTHORITY

See “*City of Yakima ADM 2-200*” on ICE for Delegation of the City Manager’s Authority to approve requisitions (which are routed automatically through Cayenta) and sign contracts.

For Yakima County, see the “*Current Certification of Auditing Officers and Alternate Auditing Officer for Various County Funds*”

Department Heads and Division Managers DO NOT have the authority to sign contracts UNLESS the [City Council/BOCC](#) has delegated authority over to you via Resolution. Only the [City Manager \(or his authorized designee\)/BOCC](#) has the authority to sign contracts. For Yakima County, see [Resolution No. 175-2019 for the most recent delegation](#). See Definitions Section “XIX” to determine what constitutes a “Contract”.

III. PURCHASE ORDERS

Only Purchasing has the authority to produce and sign official Purchase Orders for the City of Yakima and Yakima County. If you need a hardcopy of a PO for any dollar amount (some vendors require a hardcopy, even for a \$100 purchase), contact Purchasing and we will print one out, sign, scan and email it to you.

A. WHICH TYPE OF PURCHASE ORDER TO USE (City)

There are several different types of PO’s. Choose which one is right for you:

- 1) **Direct PO’s** – Reserved for the use of Equipment Rental & Water Storekeepers, and Purchasing Buyers. Cayenta Buyers do not have the authority to use Direct PO’s.
- 2) **Direct Pays** – Are to be used only for:
 - a. Subscriptions (e.g. magazine, newspaper, dues, etc. – not software).
 - b. Utility bills (power, sewer, garbage, phone, water, etc.).
 - c. Credit Invoices.
 - d. Employee reimbursement for tools, uniforms, boots, and CDL’s.
 - e. Pension Payments

NOTE: For unusual circumstances and exceptions, contact the Finance Director.

- 3) **Blanket PO’s** - Not allowed as of 1/1/18. Blankets do not work in Cayenta as intended. If this changes, we will let you know.
- 4) **Regular PO’s (PREFERRED)**. PR’s go through the MLA process and get turned into regular PO’s.
- 5) **Reverse Regular PO** - A regular PO with the quantity set as the dollar amount and the dollar amount set as “ONE”, therefore they are reversed. Partial receiving against the PO may be done as invoices are received throughout the year and your PO will show a remaining balance. MLA is only done once. Funds are encumbered upon PO creation.
- 6) **Do not use a PO when it makes more sense to use a PCard.**

B. **COUNTY PO's**

When creating a PR, select **Cayenta Template GSG10K** to route to Purchasing (soon to be replaced with **Workday**).

IV. GRANT & FEDERAL FUNDING

Are you trying to procure something involving any type of grant or federal funding?
STOP!

Purchases or Work that have received a grant or federal funding may not be covered by this manual. **These types of purchases often have their own procurement requirements.**

Contact Purchasing for advice on how to proceed. We will review the procurement section of your specific grant and guide you on what the next steps are.

When spending Federal Funding, the City/County complies with and has a separate policy for “Uniform Administrative Requirement, Cost Principals, and Audit Requirements for Federal Awards”, published in Title 2 of the Code of Federal Regulations, (2 CFR 200), specifically **2 CFR 200.318 through 200.326., which can be accessed [HERE](#)**. ALL GRANTS ARE DIFFERENT, so one size does not fit all. Some grants simply require you to use your own procurement rules, while others require you to insert their contracting clauses into your contract.

When you're ready to enter your requisition, note the type of funding, e.g. Federal/FTA/FAA/FEMA/COPS/CDBG, etc., in the Subject Field of the requisition, using the project number assigned by [Yakima County Financial Services \(Public Services assigns their own\)/City Finance](#), in order to ensure that Purchasing is notified and complies with appropriate Federal regulations.

Yakima Transit Only:

When utilizing LOCAL funds, this manual applies. When utilizing Federal Transit Agency (FTA) funding, all procedures shall conform to applicable Federal law, including, but not limited to: 49 CFR Part 18 (repealed 12/26/2014), 2 CFR Parts 200 and 1200 and Federal Transit Administration (FTA) Circular 4220.1F, “Third Party Contracting Guidance”. Yakima Transit has their own Procurement Manual to use for FTA funded procurements. **Click [HERE](#) to access Yakima Transit FTA Procurement Manual.**

V. CONTROLLED COMMODITIES

The following items require approval **(NO MATTER WHAT THE DOLLAR AMOUNT)** from designated people. They are:

- Computers and related equipment, fax machines, printers, scanners and copiers, Cell phones, telephone equipment, pagers, software or systems - **IT Manager.**
- All Fleet Purchases – **Fleet & Facilities Manager**

- Anything Technology Services is requested or required to install, connect, service, maintain or support – Use Technology Procurement Request (TPR) process for these purchases.
- Anything purchased using Equipment Rental and Revolving (ER&R) funds must be purchased through **Public Services**.
- **Furniture, Office Supplies, On-Call Repair Contracts**, or anything else on a **master contract** that Purchasing has let that serves multiple divisions, applies to both entities.

VI. HOW TO PURCHASE MATERIALS, SUPPLIES, EQUIPMENT (Unrelated to Services, A&E or Construction/Public Work)

It is the Division Managers/Department Heads responsibility to appoint who shall make purchases for their department on the City/County's behalf under the respective quote limits that do not require Purchasing involvement.

Only authorized purchases used to conduct City/County business, consistent with the Cities Strategic Priorities and Counties Priorities of Government, and state and local laws that are within predetermined budgets are allowed.

All local governments in Washington are subject to the state's Conflicts of Interest statute ([Chapter 42.23 RCW](#)). Generally, municipal officers are prohibited from having financial interests in contracts made by or under the officer's supervision or for the benefit of their office. [RCW 42.23.020\(2\)](#) defines "municipal officer" rather broadly and basically means any city or county employee acting on behalf of the **City/County**.

Violating these rules can bring serious penalties, including monetary fines, nullification of contracts, and possible forfeiture of employment. Common sense can be a good guide in this area of the law, but sometimes gray areas can create confusion and uncertainty. If you are concerned about a specific situation, consult with [Legal/Corporate Counsel](#).

A. **THRESHOLDS (PER CALENDAR YEAR FOR ONE OR MORE IDENTICAL, SIMILAR OR LIKE ITEMS, AND ITEMS USED IN CONJUNCTION WITH ONE ANOTHER):**

CITY and COUNTY	
\$ -0- to \$4,999	Purchasing involvement not required , because competition not required.

\$5,000 to \$9,999	Purchasing involvement not required. Department obtains oral or written quotes and retains in file.
\$10,000 to \$49,999*	3 Written Quotes (Involve Purchasing)
Over \$50,000	Formal Sealed Bid or RFP (Involve Purchasing)

* Per **RCW 39.04.190**, Purchasing advertises for the “vendor list” procedure enabling quotes to be obtained between \$10,000 and \$49,999.

All dollar limits include freight, handling, and set-up cost, plus appropriate sales tax. If there will be a **trade-in**, the dollar limit is of the gross purchase, not the net purchase after trade-in.

Per **RCW 36.34.070**, County equipment being traded in must have been included as part of the original bid, or it must be offered at auction or other competitive means via Yakima County Financial Services.

B. HOW TO REQUEST A VENDOR NUMBER

City: Click [HERE](#) for a fillable Vendor Number Request form. Fill in the form and provide it to Accounts Payable along with a completed W-9. If the vendor is a City employee there is no need for the W-9 form.

County: Click [HERE](#) for Yakima County Vendor/Independent Contractor Checklist, fill it out and submit to the Auditor’s office.

C. PAYMENTS

Both **City/County** specify where to send an invoice at time of order.

Notify vendor that the **PO number must be on all invoices.** All questions regarding payments should be directed to the respective **City/County** Accounts Payable Divisions.

D. PCARD (VISA) A PCard is an alternate way to pay for something. All procurement policies still apply. For **City PCard procedures**, see **Administrative Code 3-400 on ICE**. For **Yakima County**, contact **Yakima County Financial Services**.

E. TRAVEL & REIMBURSEMENT POLICY ADM 1-1900 is available on ICE.

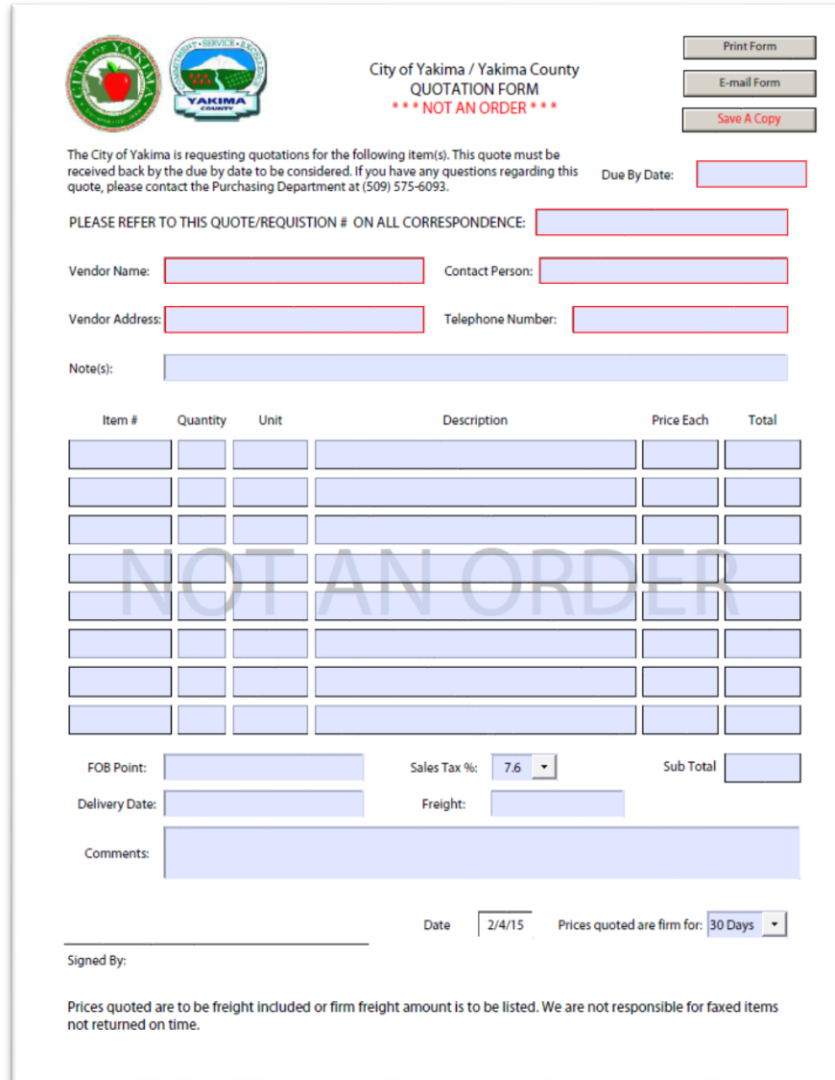

F. EMPLOYEE RECOGNITION, BUSINESS MEETINGS & BREAKROOM SUPPLIES POLICY ADM 1-725 is available on ICE.

G. PROCEDURE TO OBTAIN INFORMAL (\$10,000to \$49,999) QUOTES (Purchasing involvement required):

Department/Division personnel may obtain informal quotes (phone or written) using the Quote Form provided below. **DEPARTMENT/DIVISION PERSONNEL DO NOT HAVE THE AUTHORITY TO CONFIRM (PLACE) THE ORDER within this dollar range.** This is done by Purchasing after reviewing the quotes, unless purchasing has given you specific written instructions otherwise. If your quote is of a complex nature, let Purchasing obtain the quotes for you to ensure everything is apples-to-apples; otherwise:

- 1) Division contacts three vendors for quotations. Be sure technical information defines acceptable quality and insure vendors are quoting on equal and comparable items. All vendors must be provided the same information. If one vendor offers an acceptable alternate, **new quotes must be requested, using the alternate specifications.**
- 2) The **City/County** will not pay for any technical information from the vendor. If the information is to be shared with other vendors, it must be stated so up front. If you use a vendor's technical information without their approval, you may find yourself in a legal tangle.
- 3) On-site demonstrations or delivery of preview/trial merchandise should be arranged with the Purchasing Division beforehand. Just because you have received a demonstration of someone's product, does not mean you will be able to buy it. Competition may still be required.
- 4) Complete the "Quotation Form" linked below. Obtain freight pricing (FOB Destination), if not indicated by vendor. Include vendor contact information in case we need to get a hold of them.
- 5) Enter a requisition into Cayenta. **Use a buyer ID of a Purchasing Division employee** or **select the proper Cayenta template** and indicate recommended vendor on your requisition form. Route Quotation forms to Purchasing.
- 6) Vendor selection is made by Purchasing on the recommendation of the requesting division personnel, considering price, quality and product availability.
- 7) Purchase order is issued and order is confirmed by Purchasing, unless previously approved otherwise.
- 8) Quote documentation is attached to purchase order and filed in Purchasing for auditing and document retention.

H. **PROCEDURE FOR FORMAL BIDS or RFP’s - Over \$49,999 (Purchasing involvement required):**

Sealed Bids/RFP’s are required whenever the cost of materials, supplies, equipment or ordinary services exceeds \$50,000 Per Article VI. Section 6 of the [Yakima City Charter](#). The City of Yakima is mostly governed by City Charter and Yakima County is mostly governed by [RCW 36.32.245](#). Purchasing must be involved in the formal process and will help you determine whether a Bid or RFP is warranted.

Responsibilities for the Bidding/RFP process are shared by Purchasing and the Division. Responsibilities are as follows:

1) Division’s Duties in the Bidding/RFP Process

- a. Determine the need.

- b. Notify the Finance Department regarding any budget transfers to cover funding.
- c. Complete Cayenta requisition using [buyer ID of Purchasing Division employee](#), or [select proper Cayenta Template](#).

FOR AUDIT: Purchasing *may* allow you to place the order yourselves, once the contract has been set up (If you don't receive this instruction, assume Purchasing must place the order). Notate **in the Subject Field of the header section of the PR**, the name and number of the contract that you are using, i.e. bid number, sole source, and verify that the vendor is charging you the correct price. **Not identifying which existing contract the item(s) are covered under will result in an Improper Purchase Procedure form being sent to your Department Head.**

- d. Route technical specifications as well as a list of potential vendors to Purchasing. **(Do not re-type or change our BID/RFP boilerplate...it makes us cranky.)**
- e. Perform final review of technical specifications and be prepared to answer technical questions from vendors. Any information that needs to be disseminated to all vendors shall be done as an addendum issued by Purchasing. If applicable, attend pre-bid conference and answer technical questions.
- f. **AWARD:** After bids have been opened, recommend award on form provided. Bid must be awarded for the most responsive bid from a responsible bidder. If recommendation for award is being made to anyone other than the low bidder, attach memo stating specific reasons why the low bid is not acceptable. RFP's are awarded to the vendor who scored the most points on predetermined criteria. Don't reveal status of your recommendation to the vendor. Refer vendors with questions to Purchasing.
- g. **POOR PERFORMANCE?** When things go wrong, don't remain silent! Contact Purchasing and let us remedy the problem. Remember to **DOCUMENT, DOCUMENT, DOCUMENT!!** Even if you have had on-going problems with a vendor, we will have a very hard time canceling a contract or not awarding them a new contract, unless we have proper documentation of the problem.

2) Purchasing's Duties in the Bidding Process

- a. Receive technical specifications from division.
- b. Assemble bid package and check for legalities.
- c. Route to division for final review.
- d. Arrange pre-bid conference, if necessary to invite contractors to discuss bid requirements.

- e. Establish bid opening date and place ad in newspaper.
- f. Distribute bid packages to vendors and maintain accurate vendor records.
- g. Conduct bid opening with Clerk.
- h. Tabulate bids and verify responsiveness.
- i. Review recommendation of award.
- j. If Purchasing agrees with division's recommendation, bid is routed to [City Manager/Board of County Commissioners](#) for approval.
- k. Place the order.
- l. Administer bid for the life of the contract, i.e. price increases, lapses in insurance coverage, bonding, prevailing wage, etc.

3) SPLITTING UP ITEMS TO AVOID A BID? **NOT LEGAL!**

- a. **Issuing several PO's under the dollar limit to avoid bidding is against state law.**
- b. Combine the total of foreseen **identical** items purchased at the same time or **similar** items (or items that are **used together**) within a calendar years' time, in which the cost exceeds competition limits or when it is determined by Purchasing that volume discounts can be obtained by combining [City/County](#)-wide usage (i.e. office supplies, laundry services, janitorial paper products, etc.)

4) ALTERNATIVES TO BIDDING:

a. **Inter-Governmental Cooperative Purchases (Purchasing ROCKS at this!)**

RCW [39.34.030](#) permits governmental agencies to utilize other entities' contracts without going to bid. Contact Purchasing to determine if interlocal purchasing is feasible for your division's particular need. The following criteria must first be met:

- There must be an Interlocal Agreement, approved by [Council](#), or [BOCC](#) and signed by both parties, on file in Purchasing.
- It must be a current contract with interlocal language included.
- It must have been advertised on the entity's web page and competitively bid.

- The government entity, and the vendor, must be willing to share their contract pricing.
 - A complete copy of the contract must have been reviewed by Purchasing. Purchasing will set up a bid file and track as if it were our own bid process.
 - If one-time purchase, Purchasing will place the order. If ongoing, Department may request permission to order themselves.
- b. Purchases at **Auctions**, per [RCW 39.30.045](#)
 - c. An **Emergency** has been declared (see Section XIII)
 - d. **Alternative Public Work Processes** (E.G. GCCM, Design Build, JOC). See [Engineering/Public Services](#) for more information.
 - e. **Sole Source** (see Section XI)

VII. HOW TO PURCHASE CONSTRUCTION (Public Work) ACTIVITIES:

enterprises shall have the maximum opportunity to participate in the performance of work relating to the City's activities. To this end, the City is committed to take all necessary and reasonable steps in accordance with state and federal rules and regulations to ensure women and minority business enterprises are given the maximum opportunity to compete for and to perform contracts.

Yakima Transit updated its DBE Goal October 2016. The entire Program and Goal Methodology can be viewed online [HERE](#). Click on Services/Purchasing/Disadvantaged Business Enterprise Program.

F. **INSURANCE/LICENSES/PREVAILING WAGES**

When hiring anybody to do anything for the City, there are five requirements that need to be met.

1. **Certificates of Insurance**

Before any contractor is allowed to work on City property (no matter the dollar amount of the work), contact Purchasing to determine if a Certificate of Insurance is required. If required, the contractor must furnish the City with a Certificate of Insurance, naming the City of Yakima as primary & noncontributory **additional insureds with an additional attached endorsement**. Click [HERE](#) for \$2million commercial/\$2million auto sample (City), and [HERE](#) for a \$5million commercial/\$2million auto sample (County)

Certificates of Insurance are a complex issue, so please contact Purchasing! We will happily discuss Insurance Requirements and what the limits of coverage should be, according to how much risk is involved (Insurance requirements are determined by the City Legal Department).

Purchasing now tracks ALL certificates of insurance that the city receives.

2. **Responsibility Criteria for Contractors:**

- a. Washington State Contractor's License/Federal Registration –It is unlawful for the City to hire anyone to do construction work on our property that does not have a valid State of Washington Contractor's License - **Period**. If someone is not properly licensed, DO NOT HIRE THEM. You may look up a Contractor, Electrician or Plumber at: <https://secure.lni.wa.gov/verify>
- b. Department of Revenue Business Records Database: [https://secure.dor.wa.gov/gteunauth/ /](https://secure.dor.wa.gov/gteunauth/)
- c. Verify Workers' comp Premium Status: <https://fortress.wa.gov/lni/crpsi/>

- d. Check for debarment:

State of Washington

<https://secure.lni.wa.gov/debarandstrike/ContractorDebarList.aspx>

Federal Debarment:

It is unlawful to hire any firm to do business with the City/County that is not registered and in good standing with the US Government. You can check the status of an entity so see if they have been debarred at www.sam.gov. Print out the resulting page (even if no records were found) and file it with your paperwork for audit. **...or call Purchasing and we will look them up for you.**

3. City of Yakima Business License

A City of Yakima Business License is also required for any business working inside the City limits. The vendor may contact the Building Permits Division at 575-6121 for more information or click this [LINK](#).

4. Prevailing Wage Requirements

Chapter [39.12](#) RCW is the **Washington State Public Works Act**, also known as the Prevailing Wage Law. This law requires that workers be paid certain hourly wages for all public work and public service maintenance contracts, **NO MATTER WHAT THE DOLLAR AMOUNT!** Click [HERE](#) for the State’s booklet on Prevailing Wage.

This Prevailing Wage law was enacted to protect the employees of contractors performing public works construction/maintenance from substandard earnings, and to preserve local wage standards.

The Department of Labor and Industries administers the law; the Attorney General prosecutes violators; and the State Auditor ascertains if our policies, practices and procedures meet the requirements of the law.

Owner/Operators that do not have any employees do not need to pay themselves prevailing wages, however, **they do still need to file Intents and Affidavits** with the Department of Labor and Industries and list in section 3 of the form that they are Owner/Operator.

- Offsite prefabrication of ducts, liners & steel products for Public Work
- Production & delivery of gravel, rock, concrete & asphalt (to a construction site (not to a stockpile)

Any worker, laborer or mechanic performing public work must be paid prevailing wages. It does not usually apply to work that is clerical, executive, administrative or professional (grant funded projects may be an exception).

DIVISION RESPONSIBILITIES TO ENSURE PREVAILING WAGE LAW IS FOLLOWED:

- 1) ***Prior to Getting an Estimate or a Quote*** – Notify vendor that they are to pay prevailing wages. More information may be obtained by the vendor from the Department of Labor and Industries (see link to booklet above). They may also contact Purchasing at 509 575-6093 and we will provide them with a copy of the most recent wage rates listing for Yakima County. The list can also be obtained online at:

www.lni.wa.gov/TradesLicensing/default.asp

- 2) ***After a Vendor has been selected*** – The vendor is required to file a “Statement of Intent to Pay Prevailing Wages” with the Department of Labor and Industries PRIOR TO STARTING WORK. Most vendors file online at:

<http://www.lni.wa.gov/TradesLicensing/PrevWage/default.asp>

There is a \$40 fee that the Vendor will have to Pay L & I, and the completed Intents are also available online. **Note:** The vendor must insert the City Purchase Order number in the contract number box on the Statement form.

- 3) ***After the work is completed*** – The vendor must also file an “Affidavit of Wages Paid” with the Department of Labor and Industries. There is another \$40 fee that the Vendor will have to pay to L & I (**L & I has waived this for work >\$750.00**), and completed Affidavits are also available online. **Note:** The vendor must insert the City Purchase Order number in the contract number box on the Statement form.

Final Payment must not be released until certified intents and affidavits have been received. Call Purchasing if you need help looking them up.

4) **PREVAILING WAGES FOR PROJECTS UNDER \$2,500**

The City of Yakima has signed up with the Department of Labor and Industries to administer the intents and affidavits ourselves, for projects under \$2,500 (including tax). **There is no filing fee to the vendor.** Purchasing will collect and file the combined intent and affidavit forms for the City.

5) **FOR PROJECTS BETWEEN \$10,000 and \$35,000**

Purchasing will take care of all the above requirements utilizing the “Limited Public Works” process, per [RCW 39.04.155\(3\)](#).

VIII. HOW TO PURCHASE ARCHITECT AND ENGINEERING SERVICES:

A & E’s are hired following the rules in [RCW 39.80](#). City Departments must follow the “[Contracting for Architects and Engineers Manual](#)” available on Purchasing’s ICE page (update coming soon!)

County Departments must follow Board of County Commissioners Resolution [140-2019](#) to procure the services of an A & E.

IX. HOW TO PURCHASE ORDINARY OR “PURCHASED” SERVICES:

“Ordinary/Purchased Services” are those provided by vendors for routine, necessary and continuing functions of a local agency, mostly relating to physical activities. Ordinary services are usually bid through Purchasing, because there is so much competition available. **There are lots of ordinary services that require prevailing wages - - Check with Purchasing.**

- Repetitive, routine, or mechanical in nature; – following established or standardized procedures
 - Contribute to the day-to-day business operations
 - Completion of assigned and specific tasks.
 - Decision-making is routine or perfunctory in nature
 - May require payment of prevailing wages

- Examples include:
 - Delivery/courier service
 - Landscaping
 - Building maintenance (janitorial)

- Herbicide application service
- Recycling/disposal/litter pickup service
- Vehicle inspection, lubricating and repair services
- HVAC system maintenance service (without repair)

X. HOW TO PURCHASE PROFESSIONAL SERVICES:

“Professional Service Contract” means an agreement with an independent contractor for providing professional services to the City. The City/County does not provide direction to the provider other than the circumstances that are stated in the terms of the contract.

There is not a state law requiring Professional Service Contracts over \$50,000 to be bid, however it is the City Manager’s and the BOCC’s discretion to direct Professional Services to be bid/quote through Purchasing when the total cost in a calendar years’ time exceeds \$50,000.

The Legal Department must review and the City Manager/Board of Commissioners must sign all Professional Service Contracts, regardless of dollar amount.

Examples:

- Medical and Dental
- Legal Services
- Management Consulting
- Accounting and Auditing
- Real Estate Broker

XI. HOW TO PURCHASE PERSONAL SERVICES:

A “Personal Service Contract” is an **employment contract** with an independent contractor for providing personal services to the City/County . Personal Service means hiring a consultant to provide professional or technical expertise to accomplish a specific study, project, task or other work statement according to RCW [39.29.006](#).

It is the City Manager’s and the BOCC’s discretion to direct Professional Services to be bid/quote through Purchasing when the total cost in a calendar years’ time exceeds \$50,000.

The Legal Department must review and the City Manager/Board of Commissioners must sign all Personal Service Contracts, regardless of dollar amount.

Examples:

- Artistic Designs
- Class Instructions for Parks Division Activities
- Referees

XII. HOW TO LEASE:

1. **County:** All leases must be reviewed by the Yakima County Treasurer and the Financial Services Department. Since leases are debt, a lot of leases have hidden interest rates that are large and need to be reviewed prior to being adopted by the BOCC. All leases over \$10,000 must be obtained competitively following quote and bid limits per Section IV, per RCW 36.32.253.
2. **City:** Bids are *not* required on equipment leases, however Legal must review and the City Manager must approve all equipment leases. Leasing is usually the most expensive way to finance a purchase. Contact Finance to see if an “Internal Lease Option” will allow you to achieve a reduced monthly payment.
 - a. Legal Review – Send to Legal for review.
 - b. Fiscal Approval - Review proposals with the Finance Dept. prior to budgeting the expense. Lease-to-own purchases are to be budgeted and accounted for as if the total expense is to be incurred when the item is purchased.
 - c. Lease Approval - City Manager must approve all Equipment Leases and may opt to send lease to Council for approval if he so desires.
 - d. To exercise the purchase option of a lease, route to the City Manager for approval.
3. **Lease vs. Rent:** Leasing is generally used for mid to long-term contracts. Renting is usually a short-term solution that is more casual. If you are confused on if you need a contract, contact [Legal/Corporate Counsel](#).

XIII. HOW TO DECLARE AN EMERGENCY:

Emergency situations are basically a single source and must follow the procedures below. The city must follow fiscal approval limits as set forth in [ADM Policy 2-200](#). When a true “Disaster” is declared,

refer to Yakima Municipal Code Chapter 6.06.010. Yakima County has it's own policy that can be obtained from the Commissioner's Office.

Emergency purchases occur when an emergency situation arises that was unforeseen and must be remedied immediately.

Examples: Acts of God, (i.e. flood damage); machinery that is critical to the operation of the **City/County** and rendered out of service.

- A. **County: Follow guidelines, as spelled out in Resolution No. [328-2006](#)**

- B. **City procedure to obtain an Emergency Purchase Order:**
 - 1. Division recognizes an emergency situation has developed.
 - a) Division estimates cost to correct the emergency.
 - b) Division identifies potential vendor to perform service/supply materials. **(DON'T FORGET PREVAILING WAGES AND INSURANCE...they still apply!)**
 - 2. **Division staff obtains appropriate verbal approval** from Division Manager and/or Department Director.
 - 3. Division initiates remedy to emergency (contacting vendor).
 - 4. Division contacts Purchasing the **next business day** to obtain a preliminary "Emergency Purchase Order Number" and initiates the "[Emergency Purchase Order Justification form](#)" after-the-fact (image included on next page).
 - a) The form will require the vendor name, reason for emergency, materials required, anticipated costs. Route for Signatures.
 - 5. Division Requisitioner enters requisition into CAYENTA system, with the words "**Emergency PO NO. ____**" in the PR Subject Field (**failure to do this will result in a "Improper Purchase Procedure" sent to your Division Manager, since the person auditing will not know if this was an approved purchase**). Contact Purchasing to give them the Requisition number.
 - 6. Once Emergency PO Justification form is fully signed, return to Purchasing for logging and safekeeping.
 - 7. Emergencies over \$50,000 must be approved by City Council via Resolution.

NOTE: Division Managers will receive an annual report to review emergency purchase requests received from their division.

I understand that if this purchase is over \$24,999, or if any change orders to this purchase increase the amount to \$25,000 or over, that our division must initiate and prepare necessary information (Resolution) to advise City Council that there has been an emergency situation requiring immediate action.

XIV. HOW TO DECLARE A SOLE SOURCE (or Single Source):

PURCHASING INVOLVEMENT REQUIRED. On a case by case basis, the bid or quote requirement may be waived and a sole/single source purchase approved, in accordance with [RCW 39.04.280](#). There should be careful deliberation before going to a sole/single source as this type of purchase eliminates competition and tends to drive prices up.

Authority to Approve Sole/Single Source Purchases

City Manager/BOCC..... Over \$10,000 to \$49,999

City Council/BOCC..... Over \$50,000

A **sole** source is where there is only ONE supplier of the product or service. A **single** source is where the vendor is “one vendor amongst others”, when other competitive sources may be available.

A sole/single source purchase may be approved if one or more of the following conditions are met:

1. **Standardization or compatibility** to existing City/County standard or to existing equipment, inventory, systems, data, programs or service.
2. **Licensed or patented** product with only one dealer (and the license or patent is paramount to your procurement).
3. **Only** authorized Service Provider, Repair and/or Warranty Services, e.g. warranty may be negated if you let someone else work on it.
4. **Unique design:** Requires unique features that are essential, aesthetic requirements, or not practical to match to existing design or equipment. Document the unique specifications that are needed, which will drive the research in finding a product that fits the specific needs of your department.
5. **Special Market conditions:** Can be used to purchase items at auction (RCW [39.30.045](#)) or other items that are offered at a very favorable price and will be sold before an entity will have a chance to complete the bidding process (e.g. a flood is coming and you must obtain sandbags immediately) or perhaps funds must be expended immediately, or there is a critical delivery date.

NOTE: Any sole/single source utilizing **Federal Grant money** must also include 1) Written responsibility determination for the successful contractor and; 2) Basis for contract price (**Cost Price Analysis** – Click [HERE](#) for form). Each Grantee must evaluate and state its justification for the contract cost or price.

A. Procedure to obtain sole source purchase approval:

1. **Call Purchasing first** to discuss. Purchasing can often offer alternatives to sole/single sourcing, e.g. piggybacking contracts, etc.

- Fill out the Sole/Single Source Justification Form (below) and forward to Purchasing for recommendation. If time allows, Purchasing will publish a "Notice of Intent to Sole/Single Source" in the Yakima Herald Republic and online for both the City and the County, following their same respective rules for advertising bids. **Council approves over \$50,000)/Board of County Commissioners approves over \$10,000.**
- Enter a requisition into Cayenta and use a buyer ID of a Purchasing Division employee or select the proper Cayenta template. State "sole/single source" in the Subject Field of the Purchase Requisition (PR).
- City:** If over \$50,000 Division initiates a Resolution, supported by the necessary information justifying a sole/single source exists and routes to the Legal Department. Department attaches Sole Source Justification Form to Resolution and uploads into NOVUS.
- County:** Department routes Sole/Single Source Form/Resolution to Purchasing. **Purchasing will prepare the Agenda Request Form, obtain Corporate Counsel "approved to form" signature and route to BOCC for approval.**
- Once approved, **Purchasing will place the order**, unless Purchasing has given written permission for the division to order it themselves.

STATEMENT OF NEED/CONFLICT OF INTEREST

My division's recommendation for sole source is based upon an objective review of the good/service being required and appears to be in the best interest of the City/County. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favor, or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.

XV. DISPOSAL OF SURPLUS PROPERTY

The City and the County both have separate Surplus Property Policies. Refer to Disposal of Surplus Property Policy available in the [Administrative Code Book, Policy No. 3-100](#) for the City and [Resolution No. 443-2014](#) for the County.

City Contact: Dan VanPelt, (509)576-6690 Daniel.VanPelt@yakimawa.gov

County Contact: Stefanie Alvarado, (509)574 1504 Stefanie.Alvarado@co.yakima.wa.us

XVI. TRADE-INS

City: Trade-Ins are allowed on new purchases if approved by Purchasing in advance. Trade-Ins must be negotiated, documented at “Fair Market Value” by the Division, and declared surplus ahead of time (through Purchasing) by the City Manager if under \$15,000 and City Council if over \$15,000.

County: Per RCW [36.34.070](#), **County equipment being traded in must have been included as of the original bid, or it must be offered at auction** or other competitive means via Yakima County Financial Services.

Fair Market Value can be obtained by finding comparable units that have been sold at online auctions, e.g. www.publicsurplus.com, www.Ebay.com , www.rockanddirt.com, www.ironplanet.com or other online sources such as Edmonds.com, Kelley Blue Book, or NADA. www.govdeals.com is a good place to find auction results for comparables.

Trade-Ins may also be requested ahead of time in the Bid Specifications as a “Guaranteed Buy Back”. Work with Purchasing if you would like to consider this option.

XVII. CAYENTA PROCEDURES

City employees can visit [ICE](#) on the intranet to view Cayenta Procedures.

County employees may go to the County Intranet to view the County Cayenta Procedure Manual.

XVIII. FREIGHT

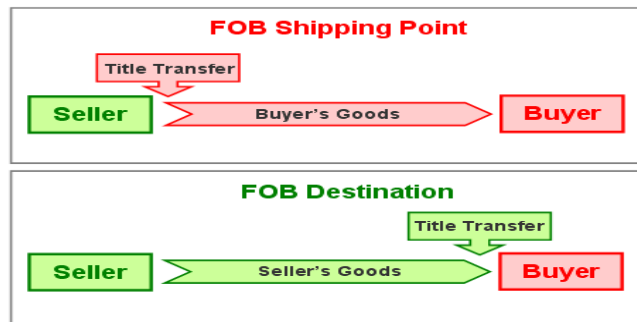

1. Shipping Terms

Whenever you are shipping an item that will incur freight charges, always request that it be shipped *FOB destination, freight prepaid*. What this means is that the vendor you

ordered the merchandise from owns it until it reaches your door and there won't be a separate invoice for freight. If anything should happen to the merchandise during shipping, the vendor (not the City/County) is responsible for filing the claims with the carrier.

FOB determines at what point the ownership transfers. If an item is FOB origin, the City/County owns the merchandise from the point of shipping while it is in transit.

Freight prepaid or collect refers to who is responsible for paying shipping charges - the City/County or the seller.

2. Receiving Freight

It is the responsibility of the individual who signs for UPS or carrier's delivery receipt to properly receive all cartons they are signing for. Anyone who accepts and signs for receipt of goods, acknowledges that the item was received and accepted as delivered.

a. Get what you sign for

- 1) Confirm the package or carton is being delivered to the proper location.
- 2) Verify the number of cartons, crates or pieces is correct according to quantities on the packing slip.
- 3) Sign the delivery slip legibly so that when you call Purchasing two weeks later and claim you haven't received the package, we can track you down!
- 4) Open packages and verify order is correct.

3. Damaged Cartons

a. Visible Damage

Any person receiving freight must make a notation on the carrier's delivery receipt of apparent damage to packages. State the specific type of damage on the delivery receipt and obtain the driver's signature (not just initials) on your copy of the receipt.

b. Concealed Damage

If the shipment of goods received showed no sign of damage upon receipt, but damage to the contents is found upon opening, concealed damage exists.

- 1) Call the carrier immediately upon discovery of the damage and request an inspection. Notate the date and the person contacted.
- 2) Notify the vendor to file a claim.
- 3) All shipping cartons should be retained for inspection on any damage.
- 4) When making a request for an inspection, advise the carrier whenever possible what the value of the damaged goods is. If the value is less than \$50.00, most carriers will frequently waive inspection. Indicate person contacted on the claim form.
- 5) When an inspection is made, specific damages should be notated by both parties and signed by both on the inspection report. Send report to vendor.

[Legal/Corporate Counsel](#) should be contacted if there is uncertainty as to the need for a written contract and how to go about it.
