

# Certified Backflow Prevention Assembly Testers

August 5, 2020

Page 1

This List is provided only as a courtesy to our water customers. This list does not include all certified backflow assembly testers only those who have provided us with a copy of their certifications and have requested to be listed. The City of Yakima does not intend for this list to be a recommendation. The City of Yakima does not have any control over the charges for testing or repairs of backflow assemblies.

You might want to obtain competitive bids.
